Shining Light school - Pune

The Shining Light School held a very successful sports day on 12th January, 2018 at a nearby public park. Thank you for your prayers. Standards 1 to 4 were divided into four houses and each house participated in march-past, long run, 100 meters run, relay and so on. There were activities even for parents and teachers. At the end, medals and certificates were distributed to the winners. Parents enjoyed watching their children participate in various activities.

Shining Light School children participate in the various activities arranged by the staff.

Glory School - Dharavi

- Glory school is having its first sports day on February 9th, 2018. Please pray as staff prepare for the event and that everything goes smoothly.
- Pray for Virendra's children, Esther and Jonathan, as they prepare for their final exams.
- We are planning to start Junior and Senior Kindergarten from June 2018. Parents of existing students are happy that their children will have the opportunity to continue in Glory school rather than going to a bigger school. Please pray for God's wisdom. Also, pray that God will send deserving children for admission.

Duncan shared encouraging words and testimony during his visit to the Nurses' Training Institute, last month.

Nurses' Training Program - Salem

- Lab-technician trainees were sent for practical training. Please pray that they will gain essential skills and make a meaningful contribution to the community.
- Quizzes were conducted on Sociology, Psychology, First Aid and Communicable diseases to encourage and challenge students' subject knowledge. Trainees participated with enthusiasm. Pray that the efforts they put in will help students retain what they have learned, and enable them to build on it.

Project Karuna - Gulbarga

- Thank you for your prayers! Toilets at Gandhi Leprosy Colony are almost complete – only two left!
- Please pray for the increasing number of cancer and HIV cases amongst the leprosy-affected.
- Pray that children from the leprosy colony – 8th standard and above – will get admission at the Don Bosco boarding school located near Mysore.

Safe Water System:

Two safe water systems were installed last month in Chamarajnagar, close to Bangalore.
