

Funds Distribution

Thank you for your September contributions (Rs. 40, 525). They were used as follows:

Karuna, Gulbarga: Rs. 31, 000
Kept Aside: Rs 9,525

Students actively participate in a quiz competition, on Haematology. -
Nurses Training Programme, Salem

Glory School - Dharavi

- Children's exams are starting on 13th of October. Please pray that they will perform well.
- Please pray for good health of all our staff and children as they are falling sick often.
- Please pray that God will send a qualified and dedicated teacher to teach out senior Kindergarten children.
- We had our parents' meeting on the last week of September. Parents like the way our teachers teach. We shared some concerns with children that every parent needs to know.
- We have a few poor children with single parents who cannot afford to pay the day-care fees. Pray that we will be able to help these children.
- With parents' permissions, we are hosting a marriage and parenting seminar during Diwali vacation. Request you to pray for Lord's guidance and providence.

Nireekshe Centre - Mysore

Pray that God will bless the students and staff at Nireekshe with strong immune system to combat diseases related to bad weather.

Nutrition Programme - Gulbarga

Pray that God will help students at Gandhi Leprosy Colony to grasp the lessons being taught and excel in their studies.

Nurses' Training - Salem

- One of our students won an award in a speech competition. She gave a speech about Mother Teresa.
- Please pray as the students prepare for the mid-term exams to be held in October.
- Quiz competitions in Haematology, Microbiology, Nursing and practical work were held. Most of the students participated with enthusiasm.
- We have assigned projects and have distributed notes to the pupils. Pray that they will be able to grasp the lessons and do well in their projects.

Shining Light School - Pune

- Leonie, a maths teacher from South Africa, conducted a training programme for five of our teachers. Pray that the teachers will put into practise what has been taught and see our children become more confident in solving math problems.
- Some of our school children are slow at grasping their lessons and are, therefore, falling behind in their studies. Pray that God will heal them and increase their ability to grasp what is being taught.
- We need a bigger land for the school and homes for girls and boys. Pray that God will show His way.
- We need a trustworthy couple to take care of and mentor our boys in Boys' Shelter. Pray that God will send a couple with the passion to serve these needy children.
