

**Supplier Terms and Conditions when undertaking work
for Turbocam UK Ltd.**

The details below are applicable to all purchase orders in support of Turbocam UK manufacturing orders. Other conditions may also apply and details of these will be provided in the body of the related PO.

Suppliers may be subject to an audit by a Turbocam appointed person. Whilst undertaking their contracted activities all suppliers shall;-

1	allow right of access by Turbocam, their customer, and regulatory authorities to the applicable areas of facilities and to applicable documented information related to the PO.
2	notify Turbocam of nonconforming processes, products, or services and obtain approval for their disposition
3	notify Turbocam of changes to processes, products, or services
4	flow down requirements of the PO to any sub-tier supplier
5	have systems in place to prevent the use of counterfeit parts
6	have systems or provision for the prevention, detection, and removal of foreign objects
7	implement production process verification activities to ensure the production process is able to produce products that meet requirements
8	ensure product traceability is maintained throughout its processes
9	provide confirmation that process and product conformance has been achieved and verified
10	ensure documented records are retained for a minimum of 20 years unless specified in the purchase order
11	ensure that in all interactions an individual's behaviour should be ethical and not compromise the product safety

If there are any concerns with complying with the above please contact your
purchasing contact or AccountsUK@turbocam.com
